Monica,

Attached is an email that I received this morning with regard to the PR process for Harvey contract actions, but it does not say the same thing as your email below. Is the attached email still the PR process, or are you saying that it has changed? Thanks!

Monica and Althea,

Start is within a day or so of running out of money, so I need to add money as soon as possible. How much do you want to add? Note that the new procedure requires that I will need a signed 213RR before I can do the PR. Thanks!

Will, I've talked with our field team leader and we estimate \$15K-\$20K of additional effort remains to complete tasks received from OSC Bernier. This includes report preparation and data validation following laboratory analysis of collected samples.

Thanks  
David
